

If you could have any super power, what would you choose and why?

Draw it, model it, cartoon it—you choose how you record it.

Make a sculpture, poster, painting or PowerPoint about 'What you believe is the greatest Superpower?'

Remember we are looking at different types of powers: over the term: democracy, forces, female thinking and ideas, WW1 soldiers, resilience, courage, Greek Gods, Worship of God etc— Will you demonstrate one or more of these?

REMEMBER:

You must complete a task of your choice in time for the homework exhibitions.

You should take pride in your work and use a pencil.

All homework should be done independently and in your homework book.

Extra challenge- 'The greatest super power is science' Do you agree or disagree? Write a persuasive argument to tell me why or why not.

Autumn Term HOMEWORK Class 3

Talk Homework

You are ruler of the whole world for a day; what top 5 five things would you do?

Discuss this with your family members and record what each person thought.

Make your own Superpowers word search.

Remember your spellings must be accurate!

Reading Challenge

Look who we caught reading!

Find unusual and unique places to read and ask someone to take a photograph. Come and tell us what the story is all about and your photo can be displayed in the classroom!
