

What is landform? Create a poster or an explanation text. You must include a definition of the word, examples and non-examples and also include characteristics of Landform.

Make a sculpture, poster, painting or PowerPoint comparing Barrington before and now.

Look at how the buildings have changed, the different points of interest and find out Who the first inhabitants were.

Was the village always used for living? What has stayed the same? What connections does the village have to WW1 and WW11?

REMEMBER:

You must complete a task of your choice in time for the homework exhibitions.

You should take pride in your work and use a pencil.

All homework should be done independently and in your homework book.

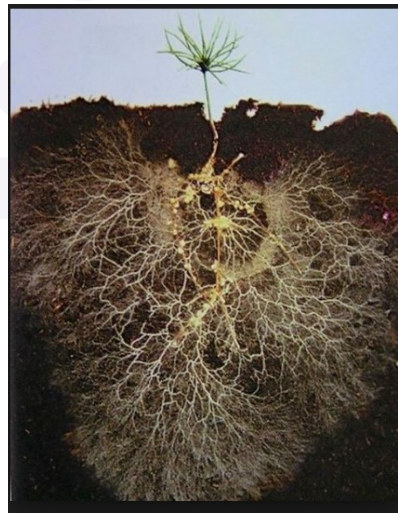

Extra challenge— Create two models to show different types of land. Think of different countries, climates and layers of the ground.

Spring Term HOMEWORK Class 3

Talk Homework

You have the chance to go back and be the very first person to live in Barrington. What would you do? What would you build? How would you make the village remember you/?

What can we do to help the world beneath our feet? Write a persuasive argument to argue why we need To look after the world we live in. BE PASSIONATE.

Find out about the history of Barrington. Build, draw or create a model to show how the village once looked. This is a very useful website to help you with this task
