

## Class 2 Topic Menu- Please choose at least 1 activity to complete per half term.

### Outdoor Learning

- Go fishing or if you visit the seaside, go crabbing.
- Build a boat that floats
- Visit Scotsdale's outdoor water garden
- Visit Coton Orchard Garden Centre.  
Can you find Nemo? Is there an angel fish?

(Class 2 would love to see these so use a camera to take photos too!)

### Maths, Science and Geography

- Find out how many seas and oceans there are in the world. Which is the biggest? Which is the smallest?
- Can you find containers in your home that hold different amounts of water? Which holds the most liquid? The least? Can you order them?
- Make an undersea picture using 2D shapes.
- Make a bar chart to show what your family like to do at the beach.
- Make a poster to show 5 things that sink and 5 things that float.
- Label different parts of a sea creature

### Shared Learning

- With a grownup, help make a meal that has fish (fish fingers, tuna, Salmon). Take photographs.
- Go swimming with your family. Can you move in the water like a crab? Can you pretend to be a dolphin or shark?
- Learn the chorus to the famous 'Yellow Submarine' song and film it/perform it for Class 2.

### Creative Learning

- Make a model of an under the sea creature
- Make a shoebox suitcase which has pictures or models of what you need to take with you on a trip to the beach.
- Listen to a piece of seaside/sea music and draw the picture that you imagine while you are listening to the music.
- Design and make a submarine.
- Make a coral reef or shoebox aquarium

### Reading and Writing

- Write a description of the sea.
- Write a sea poem
- Can you find a book with a boat journey in? Or one that is about a submarine. Tell us about it.
- Research one under the sea creature and make a poster about it.
- Research and find out 5 facts about Christopher Columbus.
