* Arriving for Celebration Assembly

We will now be opening the side gate a few minutes early. Therefore can parents attending celebration assembly on a Friday afternoon enter via the gate by the school kitchen, then come into the hall through the fire exit doors at the back of the hall. Thank you.

Polite request for assembly

We welcome preschool children in our celebration assemblies but could we please kindly ask they are quiet and don't run around. This is very distracting for the children who are trying to share their work, parents trying to listen and for the children who are in the audience. Please feel free to take them out on to the playground or the foyer if they become noisy. This will especially help our youngest children who we expect to sit still, listen and be quiet. Thank you.
