Recycling Campaign

Please help us to participate in a new free recycling campaign by collecting any used **McVities** biscuits/cakes* and **Walkers** crisp packets over the Christmas holidays. Next term we will bring a box in for you to put them in and they will be sent to a company called Terracycle (see the side of the packets for more details) who turn them into items such as park benches. We will tell you when after the holidays.

Terracycle is a company that recycles things councils can't. The big bonus is that if the more we collect then the more the school will earn in points, that eventually equals cash for the school!

So please start saving those empty packs now!

From the Ministry of Environment
