**The Museum of Cambridge...**

would love to welcome families from Barrington Primary School to come and join us in August for exciting art workshops! We are working as part of the cross-Cambridge 'Remembering Covid-19: Time Capsule Project' and need your imaginations and creative flair to make some brilliant things to put in the city's time capsule!

Would like to join us for our '*Our Space*' workshop? Make a magic memory in miniature with your family, constructing your own mini world of lockdown memories by crafting a time-capsule room in a shoe-box!

Or join us for *My Buried Treasure*? Explore some of the museum's collection. Unbox time capsules from the past and discover the treasures hidden inside - then make a box of your own!

**free** workshops run on Fridays, Saturdays, Sundays and Mondays in August, drop us a line and we can book you in on a day and time which suits you and your family; email [sarah.hutton@museumofcambridge.org.uk](mailto:sarah.hutton@museumofcambridge.org.uk).
