

Primary PE and Sport Premium Plan for 2021/22

The Primary PE and Sport Premium was launched by the government in April 2013. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

The national vision is for: *“All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”*

We must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer to pupils. This means we will use the premium to:

1. To develop or add to the PE already in place in school)
2. To make improvements now for future pupils

We aim to do meet the curriculum expectations with the help of the Sport Premium Funding by providing:

- A more inclusive curriculum
- A growth in traditional and alternative sports
- Improvements in our partnership work with other schools
- Helping pupils to develop an awareness of the importance of mental and physical health and their contribution to well-being
- Creating links with other subjects that contribute to pupils’ overall achievement and their greater social, spiritual, moral and cultural skills

In academic year 2021-22, Barrington Primary School will receive **£16,920** and we have £10,052 to carry forward from previous years that has been saved for developing outdoors areas and large apparatus. Having consulted with our community, and to support our wider vision and plans for PE and sport, we plan to spend the Premium in the following ways.
