### NEXT WEEK - May Half Term

31<sup>st</sup> May – 4<sup>th</sup> June

&

**Monday 7<sup>th</sup> June - School closed  
for Training Day**

### Covid guidance for notifying over the holidays.

Where pupils test positive having developed symptoms up to the end of Monday, please contact [head@barrington.cambs.sch.uk](mailto:head@barrington.cambs.sch.uk)  
School will then assist in identifying close contacts and advising self-isolation, as your child may have been infectious whilst in school.

Where pupils test positive for COVID-19 during half-term, having developed symptoms **after Monday**, you do not need to advise school. You should however follow contact tracing instructions provided by NHS Test and Trace.

If children test positive after attending Mr Herd's camp please contact Mr Herd.

We hope you all have a lovely safe holiday!

### Non Uniform Day

Thank you for all the contributions today, donations will go into class funds.

### May Day Celebrations

It looks like we will have lovely weather this afternoon for our May Day celebrations. We are pleased to let you know the May king and queen are Henry G and Tilley.

### Sun Hats!

Now that the weather is improving it is essential that all children have a sun hat in school, we also advise they have sunscreen applied before school.

Staff cannot apply cream in school, any brought into school must be in a clearly named bottle. However we strongly recommend using an 'All Day sunscreen'. Children should also have a jacket in school in case it is cooler or it is raining as we do go outside 'whatever the weather'.

### Reminder from Mrs McGregor!

Please can all children look at the words and sign language to "Lovely Day" on the Choir section of the school website so we are ready to take part in the Guinness World record attempts in a few weeks time.

Thank you.

### Dogs not allowed on the school site.

DOGS should not be within the school grounds, and not tied up against fences on the playground.

Please leave your dog outside our grounds, for older children you could wait beyond the school gates or alternatively leave your dog at home.

**We stress this is for the safety of all our children**, both children and dogs can be unpredictable.

### Greatest Showman Workshops

**Tuesday 8<sup>th</sup> June**

All children will have the opportunity to take part in workshops held by visiting actors. They are to be themed around the Greatest Showman. We will let you know as soon as we can but we are planning on this being week commencing 5<sup>th</sup> July.

### House of the Future Designs

Thank you for all the lovely designs, they have now been passed to Redrow for selection. Hopefully we will see some amazing pictures on their hoardings soon.

### How to order class photos

You have until 11<sup>th</sup> June to order your photos online to get free delivery to school.

### Bag2School – 17<sup>th</sup> June

Next date for a Bag2School collection is Thursday 17<sup>th</sup> June, bags were sent home this week.

Spare bags can be found in the foyer or you can use carrier bags or refuse sacks.

### KS1 Appeal for Jigsaws

Please send in any unwanted jigsaws suitable for KS1 (3-8yrs) table top only, not floor puzzles. Thank you.

### KS2 Show

The children in Violet and Blue class have started working on their KS2 production 'Olivia'. Many apologies but as yet we do not know the safest way for parents to see this. It may be on zoom, recorded or an outdoor performance.

### Sports Day – Thurs 24<sup>th</sup> June

*The reserve date, if the weather bad will be Fri 25<sup>th</sup> June.*

If the restrictions continue we will not be able to invite parents to this event, we will of course keep you up to date and let parents know should things change.

**PLEASE can ALL items be named!**

**We are still finding items unnamed or in such faint ink it is really difficult to read.**

Help us to save time, please name all clothing clearly. Items that are not named and not claimed will be destroyed.

### Churches Count on Nature

All our local churches are taking part in **Churches Count on Nature** 5 - 13<sup>th</sup> June

This is a citizen science event... be part of local data collection, have fun and learn more about what is around you.

Visit your local churchyard where there will be information on what to look for and a way to record what you have found.

Come and see which minibeasts live locally, what wild flowers are around for pollinators to visit.

All of the data you provide will then be collated on the National Biodiversity Network.

Come and visit our churchyards and see what you can see... there will be guides at the back of church to help you, and sheets to record what you find.

Any questions contact Revd Felicity 207212

### Outdoor Assembly Friday PM

Whole school assembly (weather permitting). The gates will open at 3.10pm.
