Subject: FAO The Ministry of Environment at Barrington Primary

Dear Alexander, Emilie, Ben, Lily B, Lisa, Sophie M, Zoe, Daisy, Tilda, Paisley, Josephine, Lacey, Presley, Ruari, Luca, Cameron, Freddie, Jim, Fletcher, Lucas, Oliver and Tyler

Thank you so much for your letter telling me about your work on Eco Action at your school. I am very impressed! And how incredibly sensible of you to link environmental work to your curriculum. As the one and only Green Party peer in the House of Lords, that's exactly what I try to do here.

Thank you too for the invitation to visit you. As you suggest, I'm kept quite busy so I won't be able to get to you, but I will think about you and tell people about your admirable initiatives.

I wish you huge luck for your Eco Week and hope that many schools follow your excellent example. Please give my best regards to your 'brilliant Head Teacher', Gill Davies, and say that I admire her support for her pupils' concerns for the future.

Best wishes

jj
