Dogs on School Grounds

A reminder that we should not have dogs on school grounds before and after school. The only exceptions to this are small dogs that are carried by an adult and medical assistance dogs.

Please leave the school grounds promptly at the end of the day

We need to lock the school gates swiftly at the end of the day so that Peacock Club can then come outside to enjoy the outdoor space now that it is warmer.

There should be no games or playing on the equipment after school. Please make use of the play facilities on the village greens.

Chickenpox

We have continuing cases of chickenpox in the school.

Please be extra vigilant in checking your children for any spots and seek medical advice if necessary. A reminder that children should not attend school for 5 days after the first spot has appeared, and only once they have begun to heal. Further information can be found here:

<https://www.nhs.uk/conditions/chickenpox/>

Warm Weather

Please ensure that children have hats and water bottles in school.

On-line Safety

New weekly on-line safety posters called "Wake Up Wednesday" attached each week to help keep our children safe. These will also be seen on windows around school.

Family friendly running event in Bourn

Now in its 18th year, Bourn To Run is a great event for local primary and secondary school children to gain confidence in their running ability in a friendly, inclusive environment. On Sunday 28th September, children can participate in a 3km run or those aged 14 and above can enjoy a more competitive 10km route; both are chip timed. Even younger children can spark their love of running with the much-enjoyed toddler dash, and there are activities, a BBQ and raffle on the day. All money raised goes to Bourn Primary Academy and the village sports club. Sign up via our website - <https://bourntorun.com>.
