Harvest Saucers Thursday 25th Sept

At harvest we like to decorate the church with saucers to say 'Thank you' for all God's gifts.

For the saucer/small plate:

1. Tape your child's name underneath.
2. Fill the saucer level with damp sand.
3. Working from the outside edge make a circle of leaves or a pattern using flowers or petals, berries, fruits and seeds from the garden or hedgerow until covered.

It would be lovely if **all the children** could bring in a decorated saucer. Please take saucers directly to church in the morning (we will help bus children). Parents of children in Indigo class are welcome to join us in church on the 25th Sept.

Vacancy

We are looking for a part-time cleaner. Please see the school website for details [here](#)

Parenting Top Tip – Back to school toolkit for Parents.

- **Model calmness** – Children pick up on your energy. Stay positive, even if you're a little nervous yourself.
- **Validate emotions** – Instead of saying "don't worry," try: "I know this feels scary, but I believe you can do this."
- **Create good routines** – Set morning and after school routines. Consistency helps children feel safe.
- **Role-play scenarios** – Practice everyday interactions such as, introducing themselves to new classmates, asking teachers questions, or managing breaktimes.
- **Stay connected** – Give your children a small comfort item (note in their lunchbox or a small keychain) as a reminder of your support.

Activity Idea – Getting your children to school.

- **Rainbow walk** – Spot something from each colour of the rainbow.
- **Secret agent game** – pretend you're on a mission and whisper secret instructions, like "walk past the yellow house without being spotted".
- **Steps challenge** – "lets take giant steps like a dinosaur", "can we walk like a bear/crab/meerkat?"
- **Story chain** – you start the story with a sentence and your child adds the next. Building a silly or suspenseful story together.

Ensure that you keep in mind, some days your child may want a high energy morning, some they may not. Also sensory preferences matter, try to avoid overloading with too much information if they are already anxious.
