We will be doing a variety of activities  
which involve using natural objects. Please  
can you start to save any petals and dead  
heads from either bought or garden  
flowers. They can be dried or fresh. If you  
have any feel free to send them in with your  
child and they can bring them to me in Red  
class.

Thank you, Mrs Hayes

### **Dogs on School Grounds**

A reminder that we should not have dogs on school grounds before and after school. The only exceptions to this are small dogs that are carried by an adult and medical assistance dogs.

### **Please leave the school grounds promptly at the end of the day**

We need to lock the school gates swiftly at the end of the day so that Peacock Club can then come outside to enjoy the outdoor space now that it is warmer.

There should be no games or playing on the equipment after school. Please make use of the play facilities on the village greens.

### **Chickenpox**

We have continuing cases of chickenpox in the school. Please be extra vigilant in checking your children for any spots and seek medical advice if necessary. A reminder that children should not attend school for 5 days after the first spot has appeared, and only once they have begun to heal. Further information can be found here:
